Dan, I got this back from Larry Adamson. Do you want me to set up a conference call with Herb Smith tomorrow?

Kerry.....I left you a message on your cell. The contact at L.A. Mission is Herb Smith, President and CEO. His number is [redacted] his cell is [redacted]. He said to calling him on his cell is fine. He indicated that they are putting no one on the streets unless they choose to turn down the alternatives being offered to them and then it would be their choice. They are all being assisted with relocation to another program. Remember this is a transitional housing program not permanent housing and it is a program with timed transition. He is glad to speak with you directly.

Hi Larry, I'm sure you've seen this. We have a number of people raising concerns about this – in the midst of a homeless crisis, this looks like we are going to add to the ranks in Hollywood. The council office is looking to connect to someone at the LA Mission to better understand what is going on here. I'd love to get your insight – and suggestion on who to connect with.

Hi Kerry, thanks for this. That would be fabulous. I am free after 1 PM. I am planning on having a brief meeting with the Councilmember at 2:00; other than that, my afternoon is free.

Thank you!!
